New Business

- A. *“Puddles” artwork placement-This piece was donated to the town by Emily Geyman of Friday Harbor, and was accepted by the Arts Commission at their meeting on 1/11/21 and have yet to decide where it will be placed. Their next meeting is 2/11/21 and they will decide where it should be placed and maybe in a park. Today, Parks talked about several areas in Town Parks for placement. Ollie Iversen led off with Log park at the SW corner next to the sidewalk and at Benton Street stairs on the right-hand side of the lower landing. Ken Lee suggested Peace Park and at Benton Street stairs on the landing halfway down. John Leaver of the Arts Commission spoke about placing it at the John Hammer Park below Town Hall or the area right below Town Hall next to the sidewalk. He also mentioned on the patio of Maple Hall. Ken Lee, Annie Taylor, John Leaver and Mary Wohleb will get together in the next several days and walk the sites to come up with the best possible site.*
- B. *Possible “Fence” artwork placement-As this piece by local artists, Tracy Powell, and Stan O’Neil, has yet to be accepted by the Arts Commission, we were being made aware of the possibility of it being placed in a Town Park. John Leaver said the donor would like to see it in Butterfly Park next to the Garden Club. He also spoke of a local “wood working group” which may be able to take on the reconditioning of the piece. Brian Lease told the group the owner wants this moved soon and they do not have room to store it at Public Works.*

There was no further business, and the meeting was adjourned at 10:07.
