Fun Raiser on Feb 22 6pm at Hellam's Vineyard—We need to sell more tickets, and will possibly keep the number to around 80.

Checks must be written to Town of La Conner, (and add: CONNER WATERFRONT PARK PAVILION IN THE NOTE SECTION). Credit cards can be accepted at the venue. Please bring any unsold tickets to the event.

Parks Plan revision—Commissioners will review the parks inventory on pp15-16 of the Parks Plan and pp27-28 of '18 Capital Facilities Plan before the next meeting.

There was some confusion about the request by Marianne for Commissioners to fill out the spreadsheet pages she left with us.

New survey input-Commissioners should think of new survey questions based on the revised parks inventory, asking for input from the public.
