

Town of La Conner
Finance Committee Meeting
June 24, 2019 – 3:00pm

Present: Councilmembers Wohleb, Brunisholz and Leaver, Administrator Thomas and Finance Director DeGoede Public Works Director Lease

La Conner resident Dan O'Donnell requested a meeting to discuss the Anacortes water allocations of capital and O&M charges. There are three groups, retail, regional (which La Conner is part of) and irrigation. Mr. O'Donnell believes they are charging the regional groups for the city infrastructure. The expenditures are not separated in the budget.

Another issue is for the last two years, they have not had Council approval of the rates. After discussions, the Committee agreed to Administrator Thomas meeting with Mr. O'Donnell to review and understand his figures, and then call Steve Hogle, the Anacortes Administrator, to discuss their process.
