

Town of La Conner

Town Council Special Meeting
June 30, 2022, 6:30 p.m.
Garden Club
622 Second Street
La Conner, WA 98257

Present: Councilmembers, Dole, Chamberlain and Wohleb.

Also Present: Administrator Thomas, Planner Davolio & Bill Henkle of Skagit County Communication Action.

This meeting was an informational public forum, focused on affordable housing and growth in La Conner. Panelists presented introductory information on current status of building in La Conner (existing and in process); Planning; Permit Process and Housing Considerations followed by guided community questions.

Evidence suggests that many residents have questions about growth in town, how the planning and the permit process works and what we can do to accommodate needs and stay aligned with our comprehensive plan vision. A strongly articulated need is housing for families as well as those who work in town.

In addition, the committee learned from the community about what they would like to see happen in town around housing and growth with a question-and-answer format during the second part of the forum.

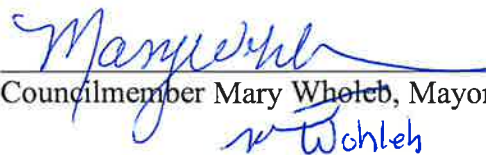

Plan for another forum sponsored by the Communications Committee in September - Specific topic to be described at a later date.

No action was taken.

There being no further business the meeting ended at 7:30 p.m.
