Re: Snapdragon Flat Project
Request for Declaration

Dear Ms. Freiburger:

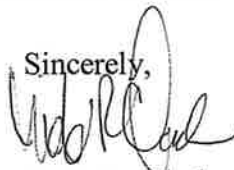

Pursuant to your email dated April 20, 2022, please provide me with a **sworn and notarized** declaration that states:

1. The appropriate administrative authority possessed a copy of my letter dated on or about April 6, 2022 prior to approval of the conditional use permit;
2. The developer has received a copy of my letter dated on or about April 6, 2022 prior to commencement of work on the development.

The intent for this Declaration is to provide documentation to residents who will find themselves in need of legal relief as a result of this development to prove the town and developer were made aware of the issues contained within the aforementioned April 6, 2022 letter prior to approval and commencement and that the approval was granted despite the concerns expressed therein.

The Declaration can be mailed to the post office box indicated above.

Thank you in advance for your kind attention to this matter.

Sincerely,

Linda R. Clark
