Subject: Skagit County Elections - Do Local Government Officials Support Election Fraud

Below you will find links to two video articles I recently issued that include the interviews with Skagit County Election officials and Skagit County Sheriff's Office confirming violation of election law by the election office and that Sheriff McDermot along with Prosecuting Attorney Weyrich have taken the position that Skagit County will no longer be enforcing election laws in Skagit County.

I am offering to discuss this situation at an upcoming council meeting and would appreciate it if your agency would contact me and let me know if you would like me to go over what my independent reporting has found and any questions you might have in either a public or private setting.

Thanks again for your time and consideration.
