**To:** deputyclerk@townoflaconner.org  
**Subject:** council meeting 11/22/22

I'm unable to attend tomorrow night's meeting and want my voice to be heard:

I am totally against the proposed \$20K sign. I don't know anyone except the person who proposed it. But I sure know a lot of people against it. There are surely better things to spend the \$20K on.

The mayor in his last meeting hinted at harder times to come; let's see where this money can be better spent.
