Re: 2007 SMP Substantial Development Permit (LU70-01SH)

Dear Vaughn Jolley:

The Shoreline Substantial Development permit (LU70-01SH) you received for in 2007 took effect on May 29, 2007 following the appeal period. In 2009 you requested an extension due to economic hardship and were granted a one-year extension. The extension granted by the Town stated "Construction must commence on this project prior to May 29, 2010 or Shoreline Permit LU70-01SH will expire". Since construction did not begin by this date your shoreline permit is now expired.

If you have any questions, please contact me at the number below.

Sincerely,

  
John Doyle  
Administrator
