The Municipality and the County may be individually referred to herein as a "party", and may be collectively referred to herein as the "parties".

RECITALS

A. The County has established the Skagit County Department of Emergency Management (hereinafter "SCDEM") as an emergency management agency within Skagit County government pursuant to SCC 9.28.; and

B. The County, acting through SCDEM, operates as a local organization for emergency management in accordance with relevant comprehensive emergency management plans and programs pursuant to RCW 38.52; and

C. The Municipality and the County previously contracted for coordinated emergency management services through an Agreement dated September 1, 1981 (Skagit County Contract No.: 00709); and

D. The coordinated emergency management services that the County (via SCDEM) provides augment, but do not supplant, the Municipality's responsibilities and obligations under RCW 38.52; and

E. The County and Municipality believe that it is in the public interest to provide and coordinate emergency management services as provided herein.

In consideration of the forgoing, and of the following terms, conditions, and consideration, the parties mutually agree as follows:

1. **PURPOSE:** This Agreement is authorized by and entered into pursuant to Chapter 39.34 RCW. The purpose and intent of this Agreement is to provide an economical mechanism for administration and coordination of the emergency management programs of both the County and the Municipality, generally to protect the public peace, health, and safety and to preserve the lives and property of the people of the County and the Municipality.

2. **EMERGENCY MANAGEMENT SERVICES:** The County shall provide emergency management services, as described herein, to the Municipality during the term of this Agreement in accordance with RCW 38.52 and SCC 9.28 (the "Services"). The County will reasonably provide the Services as described in Schedule A, attached hereto and incorporated herein. The parties' provision of services provided for and under this Agreement are intended to be rendered on the same basis such services are commonly rendered in their respective jurisdictions and neither party assumes liability for failure to provide services or for emergencies by reason of any circumstances beyond the party's control. The Municipality shall remain responsible for the provision of all those services identified in Schedule B, attached hereto and incorporated herein, as well as any other services the Municipality is otherwise required by law to perform. The Municipality shall make timely payment to the County for the Services, subject to Section 4. (below), and as otherwise provided herein. Unless specifically provided per the terms of this Agreement, neither the County nor the Municipality are otherwise obligated to provide any funds, or perform or provide any other services, duties, or responsibilities pursuant to the terms of this Agreement.

2.1. **EMERGENCY MANAGEMENT ADVISORY BOARD:** The Municipality shall be entitled during the term of this Agreement to representation on the Emergency Management Advisory Board (EMAB) established by SCC 9.28.040. Additional details regarding the EMAB are set forth in SCC 9.28.040 and Schedule C., attached hereto and incorporated herein. The parties recognize and agree that the EMAB shall serve solely in an advisory capacity in providing recommendations to County staff and the Skagit County Board of Commissioners. During the term of this Agreement, the parties agree that the Skagit County Board of Commissioners shall appoint by resolution the representative designated by the Municipality to represent the Municipality on the EMAB. Such municipal representative shall continue to serve until such time as a successor is appointed by the Skagit County Board of Commissioners, without regard to the term of this Agreement.

2.2. **REPORTING AND PERFORMANCE:** SCDEM may request timely written advice from Municipality in evaluating the provision of the Services (as described in Schedule A) by the County. The County (via the County Administrator) may request written advice regarding the DEM Director's job performance as part of an annual 360 degree review. SCDEM will provide the Municipality with monthly service reports, as well as a comprehensive annual report.

3. **TERM OF AGREEMENT:** This Agreement shall commence on the date of mutual execution and shall remain in effect through December 31, 2020, after which this Agreement will automatically renew for an additional one-year term on January 1st of each subsequent year thereafter (without further action by the parties), until otherwise terminated sooner pursuant to the terms herein; PROVIDED, that each party's respective obligations after December 31, 2020 (and annually thereafter), are contingent upon local legislative appropriation of necessary funds for this specific purpose in accordance with applicable law. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of the last fiscal year for which funds were appropriated. The party subject to a non-allocation of funds shall notify the other party in writing of any such non-allocation of funds at the earliest possible date.

4. **MANNER OF FINANCING:**

4.1 **Annual Fee to be Paid by Municipality.** Effective July 1, 2017, the Municipality shall pay an Annual Fee to the County as provided herein. The Annual Fee rate for the Municipality shall be calculated by adding the Municipality's population as a percentage of the Total Incorporated Population and the Municipality's Assessed Value as a percentage of the Total Incorporated Assessed Value and dividing by two (2) multiplied by forty percent (40%). This yields

the percentage of the annual expense budget to be billed by the County to the Municipality (the "Annual Fee"). This Annual Fee amount may be prorated for partial years. Population numbers for the Municipality shall be obtained from the most current Washington State Office of Financial Management's April 1st estimate for Population of Cities, Towns and Counties Used for Allocation of Selected State Revenues, as set forth in Schedule D (attached hereto and incorporated by reference). Assessed Value shall be determined by the Skagit County Assessor. The Annual Fee includes payment for the Services described Schedule A, and for the County's other reasonable operation and maintenance costs for which there will be no separate billing. The County shall invoice the Municipality for the Annual Fee. The Municipality shall be responsible for complete and timely payment of all amounts invoiced regardless of whether the Municipality chooses to participate in the invoiced services. Invoices will be sent by the County to the Municipality quarterly, with payment from the Municipality due and payable to the County in quarterly installments on January 31, April 30, July 31, and October 31 (unless an alternate payment schedule is mutually agreed upon by and between the parties in writing). The County is not obligated to pay or provide any funds to the Municipality pursuant to the terms of this Agreement.

4.2 Adjustments to Annual Fee. The Annual Fee rate shall be adjusted by the County effective January 1st of each year during the term of this Agreement. By the last Monday of September of each year during the term of this Agreement, the County shall calculate and issue a revision to Schedule D to reflect the Municipality's population from the annual Washington State Office of Financial Management's April 1st estimate for Population of Cities, Towns and Counties Used for Allocation of Selected State Revenues, and the Skagit County Assessor to reflect updated Assessed Valuations, and used to determine the resulting Annual Fee rate for the subsequent year to be paid by the Municipality to the County in accordance with the terms herein. Each year during the term of this agreement, the County (through SCDEM) will provide a draft Schedule D to the Municipality and membership of the EMAB for discussion and informational purposes during the October EMAB meeting each year based on SCDEM's proposed annual budget for the upcoming fiscal year, in order to assist the Municipality with the Municipality's annual budget planning. After the County has approved the final SCDEM budget for the next fiscal year, SCDEM will issue the final version of Schedule D to the Municipality and membership of the EMAB as soon as reasonably possible, but no later than December 1st of each year during the term of this Agreement.

5. SCDEM BUDGET: Solely for informational purposes, SCDEM shall provide a copy of its annual department preliminary budget request with the Municipality on or before the last Monday of September of each year during the term of this Agreement.

Description of Emergency Management Services

The County shall provide Emergency Management Services ("Services") through its Department of Emergency Management ("SCEM") to the Municipality, in accordance with the terms of the Agreement and as provided herein. The Services shall be provided by the County, and the Municipality shall be responsible for all other emergency management services, duties, and/or responsibilities not specifically described herein. The Services shall include the following:

1. Disaster Response and Recovery Coordination: SCEM will coordinate emergency management activities in order to endeavor to minimize death, injury, and damages to property, the economy, and the environment during natural or man-made disasters as follows:

a. Maintain an emergency management organization compliant with state and federal guidelines, adhering to the commonly practiced principles of emergency management and utilizing the tenets of the National Incident Management System (NIMS).

b. Provide a 24 hour per day Duty Officer for emergency management issues. The Duty Officer is available via Skagit 911.

c. During disasters as defined by RCW 38.52.010, activate the Skagit County Emergency Coordination Center (SCECC) to support the Municipality.

Requests to activate the SCECC will be made to the Duty Officer via Skagit 911. The level of SCECC activation will depend on the situation and the need for coordination and support. The decision to activate the SCECC, and at what level, is made by the SCEM Director or the appropriate designee in the SCEM line of succession.

When requested, and at the discretion of the SCEM Director or the appropriate designee in the SCEM line of succession, SCEM will deploy a liaison(s) to the Municipality to directly assist with incident management leadership, technical support and assistance, and/or use of mobile assets. During activation of the SCECC, SCEM may request that the Municipality and/or other jurisdictions deploy liaisons to the SCECC to, among other things, enhance communication between the SCECC and the incident site(s).

d. During disasters, as defined by RCW 38.52.010(6), activate the Skagit County Comprehensive Emergency Management Plan (SCCEMP). This plan articulates the roles and responsibilities of the County and its jurisdictions, and the SCECC's procedures, respectively. The Municipality and other jurisdictions will, with the support of SCEM as outlined in Section IV of the SCCEMP, develop and maintain plans and procedures that support the SCCEMP.

e. Make available the County's emergency resources not required for use elsewhere during emergencies. Use shall be determined and prioritized by SCEM. The Municipality agrees that the County shall not be responsible or liable in the event of non-availability or non-performance of equipment.

f. As needed, SCEM will request additional assistance on behalf of the

Municipality and/or other jurisdictions through established emergency management protocols, from the County to State, State to Region, and Region to National levels.

g. Under the provisions of SCC 9.28., initiate, through the Board of County Commissioners, a Declaration of Emergency when SCDEM determines that a public disorder, disaster, energy emergency, or riot exists which affects the life, health, property or public peace.

h. SCDEM, in conjunction with the Municipality and the State's Emergency Management Division (EMD), will coordinate FEMA's post-disaster preliminary damage assessment (PDA) process. The Municipality will be responsible for tracking and reporting activities potentially reimbursable by federal and/or state disaster assistance programs. The Municipality shall remain responsible for such costs it incurs.

i. When requested and practicable, SCDEM will provide technical assistance to support the Municipality's disaster recovery efforts.

2 Planning, Training, and Exercises: SCDEM will maintain emergency management plans in accordance with applicable state and federal laws, regulations, and guidance. It will also maintain training and exercise programs that adhere to state and federal guidance including the National Incident Management System (NIMS), Homeland Security Exercise and Evaluation Program (HSEEP), and Emergency Management Performance Grant (EMPG).

a. SCDEM will provide technical assistance (templates, meeting facilitation, and plan review) to the Municipality in order for SCDEM to maintain a comprehensive emergency management plan (CEMP) that meets the requirements set forth in RCW 38.52.030 and WAC 118-30-060.

b. SCDEM will maintain a multi-jurisdictional natural hazard mitigation plan (NHMP) that complies with the Disaster Mitigation Act of 2000 (DMA2K) and 44 CFR §201.6 and, when requested, provide technical assistance in order for the Municipality to meet the requirements for participation in the NHMP.

c. When requested, and at the discretion of the SCDEM Director, SCDEM will provide technical assistance and/or templates to the Municipality in order to develop functional emergency management plans and procedures. Examples of such plans include mass fatality plans, disaster debris management plans, emergency operations plans, and emergency operations center procedures.

d. SCDEM will conduct an annual training and exercise planning workshop (TEPW) in order to develop a coordinated training and exercise calendar. If the Municipality desires training and exercise support from SCDEM, the Municipality must make every reasonable effort to be represented at the TEPW.

e. SCDEM will coordinate one (1) County-level functional exercise annually and provide additional training and exercise opportunities throughout the year in support of the Municipality. As may be determined by SCDEM, such training(s) and/or exercise(s) provided to the Municipality may be provided individually to the Municipality, or in conjunction with other jurisdiction(s).

3. Warning, Notification, and Emergency Communications: SCDEM and the Municipality will utilize protocols and guidance established in the Skagit County Comprehensive Emergency Management Plan (CEMP).

a. As resources allow, SCDEM will utilize multiple means of communication to notify, warn, and/or provide information and instruction to the general public regarding impending or occurring disasters.

b. SCDEM will provide the Municipality with training, information, and/or technical assistance to endeavor to ensure communications interoperability during a crisis.

c. SCDEM will facilitate access to, and training on, applicable incident management sites and software.

d. SCDEM will provide the Municipality with an updated contact list for County departments and officials during the first quarter of each year.

4. Volunteer / Emergency Worker Management: SCDEM will work in cooperation with the Municipality to develop volunteer capabilities that augment the Municipality's local disaster response efforts; specifically, Community Emergency Response Team (CERT) and/or an emergency communications volunteer group, e.g. Skagit County ARES/RACES.

a. SCDEM will maintain a central database of these volunteers and facilitate their registration as emergency workers in accordance with the Washington State Emergency Workers' Program in accordance with WAC 118-04-080. Annually, SCDEM will provide to the Municipality with a list of the volunteers living within the Municipality's boundaries.

b. SCDEM will create electronic notification lists for these groups.

c. SCDEM will develop, maintain, and centrally manage a list of trained volunteers (including background checks of said volunteers). The purpose of this list is to provide volunteers able to augment jurisdictional emergency operation centers (EOCs), manage community points of distribution (CPODs), and manage volunteer reception centers (VRCs).

d. SCDEM will provide oversight for a countywide CERT capability based on self-organized and governed CERT teams in a regional construct. In this construct, SCDEM will provide initial CERT training and support *volunteer* Regional Coordinators that will be responsible for coordinating with the SCDEM Volunteer Coordinator for ongoing training, recruiting, and meeting place logistics.

i. SCDEM will provide, at a minimum, annual initial training for CERT volunteers. Initial training will consist of the CERT program as outlined by FEMA's Emergency Management Institute (EMI) and damage assessment (i.e. windshield survey) training.

ii. SCDEM's assigned Volunteer Coordinator will meet with the Regional Coordinators annually to establish a yearly training calendar for the regional teams, and then quarterly throughout the year.

iii. Semiannually, SCDEM will host a countywide CERT meeting. Each team's Regional Coordinator, with the support of SCDEM, will be responsible for additional meetings and trainings.

iv. SCDEM, in collaboration with the Regional Coordinators, will develop and maintain countywide CERT policies that ensure consistency and are applicable to all of the regional teams.

e. SCDEM will provide oversight to the Skagit County ARES/RACES function, which provides emergency communications services to SCDEM, the Municipality and other jurisdictions, as well as hospitals and the Northwest Washington Regional Chapter of the American Red Cross.

f. Using volunteers (as groups or individuals) for activities outside of the scope of their intended purpose and/or training places such volunteers outside of the scope of RCW 38.52.180, WAC 118-04, and this Agreement, and such volunteers cannot be afforded protection under the Washington State Emergency Workers Program. Therefore, the Municipality shall be required to provide coverage in accordance with L&I Industrial Insurance regulations for such volunteers.

5. Outreach and Preparedness: SCDEM will work in conjunction with the Municipality to provide disaster-related preparedness and education in order to improve overall community resilience.

a. SCDEM leadership will meet annually with the Municipality's leadership to discuss community-specific concerns and needs.

b. SCDEM will convene meetings of its Advisory Board quarterly. See Schedule C.

c. Upon request of the Municipality, SCDEM will provide a preparedness presentation to the Municipality at least once a year. Requests for presentation(s) should be made to SCDEM at least sixty (60) days prior to the date of the requested presentation. The request should include any specific items of interest the Municipality wishes SCDEM to address in its presentation.

Schedule B

Expectations of Municipality

As provided per the terms of the Agreement, the services provided by SCDEM (as described per Schedule A) augment any emergency services, duties, and/or responsibilities of the Municipality. This Schedule B outlines some, but not all, of the areas for which the Municipality shall retain responsibility.
