Subject: Position One, to be read for council Meeting public forum 11/9

Hi All,

First and Foremost thank you all for your dedication to public service in our community. We can only imagine the challenges involved, from offering your leisure and personal time to this endeavour as well as negotiating the changing tides of serving the community and managing budgets.

It was good to hear each of the community members interested in Council Seat Position One; each interested party gave us a better look into their ideas and strengths as well as their work and community history.

We are writing to ask that Annie Taylor be appointed to Council Position One. Annie is a well rounded qualified person. Annie understands service to the community from a variety of perspectives; as a resident business owner and employer of Crescent Moon Yoga Studio, as an employee of Nell Thorn Bistro where she provides excellent service to local and out of town guests with her warm intelligence and gracious style. Annie is also at the forefront of community service, serving on the Parks Commission, volunteering for service club events sponsored by Soroptimist's & Rotarians. Then there is utter awesomeness of seeing Annie's dedication to Tula, her pup, while they walk the boardwalk and streets of our community or Paddle board the channel! Annie Taylor has been immersed and dedicated to our community for the past 7 years. She embodies democracy and has what we would call keen social intelligence; we are seeing her sharing intel and contributing fresh ideas, discussing options, and making an effort to serve the collective whole of our community.

Thank you for your time,

Susan & Casey Schanen
