Community Workshop: Growth in La Conner

Do you have questions about the future of La Conner? How will the Town address future growth? How will we maintain that small town environment? Will home prices be out of reach?

Panelists will provide information on state and local policies, regulations, public input process and housing trends. Attendees will be able to ask specific questions about growth in the Town and Skagit County.

La Conner School District - Bruce Performing Arts
Auditorium
March 31, 2022 from 6—7:30 p.m.
